Don't miss ...

Planetarium 5th floor

Blast off on a spectacular journey through space and time as the universe is revealed around you. The feat of sending rockets and people into space and the explorations that have yielded the secrets of our Solar System can be found here. Free tickets are available at the ground floor information desk.

Weston Discovery Centre 3rd floor

Find out how humans have shaped the world we inhabit in this fun, hands-on centre. From Africa to the Americas, Asia and Europe, world cultures reveal the customs, objects and achievements that have shaped our civilisation.

Ancient Egypt gallery 3rd floor

The world of Ancient Egypt comes to life in this gallery where our collection ranks among the finest in Europe. Mummies, tombs, jewellery, clothing and household objects reveal the lives and customs of the Pharaoh and his people.

Clore Natural History Centre 2nd floor

Discover the wonders of the natural world through our collection of more than 20,000 of the most unusual and fascinating objects. Packed full of mounted and preserved specimens of all types of animals, as well as rocks, minerals, fossils and plants.

Aquarium 1st floor

The aquarium contains fish from Australia to Anglesey, with rarely-seen exhibits from the museum collections, immersing visitors in a watery world of wonder.

Treasure House Theatre 1st floor

Whatever is happening here is sure to be fun and engaging. Free tickets and details are available at the ground floor information desk.
